

FLOOR REVIVE

-FLOOR MAINTENANCE PRODUCT

A high solids polymer dressing, instant and long lasting.

Brilliant high-shine 3-in-one. Cleans, shines and protects floors in one easy step.

No buffing, low maintenance and long-lasting shine.

Directions for use:

1. Wash floors thoroughly and allow to dry.
2. Pour Floor Revive directly onto floor.
3. Spread Floor Revive evenly using a clean damp cloth or a flat mop.
4. Rinse mop/cloth (ensuring the dirt is removed) before moving to next area.
5. Apply 2 or more coats for a deeper, longer lasting shine.
6. Allow approximately 20-30 minutes drying time between coats.
7. Repeat in new area.

New floors may require 1 additional coat for initial sealing.

Maintenance:

- Clean Floor with general purpose detergent or tile cleaner.
- Do not use on unsealed wood, cork or outdoor floors.

CAUTION !

Keep out of reach of children.

Avoid excessive contact with skin.

Ensure to wash areas of contact with skin thoroughly.
